COUNT I

16. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.* (the “ADA”).

17. The ADA provided places of public accommodation one and a half years from its enactment to implement its requirements.

18. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 (if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

19. The Facility is a public accommodation and service establishment.

20. The Property is a public accommodation and service establishment.

21. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991,

22. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

24. The Facility must be, but is not, in compliance with the ADA and ADAAG.

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in his capacity as a customer of the Facility and Property, and as an advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges,

advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Facility and Property again in the future as a customer and as an advocate for the disabled in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Facility and Property, including those specifically

set forth herein, and make the Facility and Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Facility and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Facility and Property include, but are not limited to:

(a) EXTERIOR ELEMENTS:

- (i) The accessible parking spaces on the Property are missing proper identification signage, in violation of section 502.6 of the 2010 ADAAG standards.
- (ii) There are no accessible parking spaces on the Property that have adjacent access aisles, in violation of section 502.3 of the 2010 ADAAG standards.
- (iii) The accessible ramp on the Property that is located at the center of the Facility has a slope exceeding 1:12 (one to twelve), in violation of section 405.2 of the 2010 ADAAG standards, and its side flares have slopes in excess of 1:10 (one to ten), in violation of section 406.3 of the 2010 ADAAG standards. This

ramp also has vertical rises at its base in excess of $\frac{1}{4}$ " (one quarter inch), in violation of section 405.7 of the 2010 ADAAG standards.

- (iv) The ramp on the Property that is intended to provide access to the Facility from the sidewalk along Dorsey Avenue has a slope exceeding 1:12 (one to twelve), in violation of section 405.2 of the 2010 ADAAG standards, and cross slope in excess of 1:48 (one to forty-eight), in violation of section 405.3 of the 2010 ADAAG standards. This ramp also has a total vertical rise greater than 6" (six inches), but does not have handrails complying with section 505 of the 2010 ADAAG standards, in violation of section 405.8 of the 2010 ADAAG standards.
- (v) There are numerous areas of broken pavement resulting in vertical rises in excess of $\frac{1}{4}$ " (one quarter inch) throughout the accessible route on the Property that provides access to the tenant spaces of the Facility, in violation of section 403.2 of the 2010 ADAAG standards.

(b) INTERIOR ELEMENTS:

- (i) The interior of the "Chic-A-Loes" portion of the Facility has

sales and services counters lacking any portion of which that has a maximum height of 36” (thirty-six inches) from the finished floor, in violation of section 904.4 of the 2010 ADAAG standards.

- (ii) The “Chic-A-Loes” portion of the Facility lacks restrooms signage that complies with sections 216.8 and 703 of the 2010 ADAAG standards.
- (iii) The hardware on the restroom doors in the “Chic-A-Loes” portion of the Facility have operable parts that require tight grasping, pinching or twisting of the wrist, in violation of section 309.4 of the 2010 ADAAG standards.
- (iv) There is inadequate clear turning space in the restrooms in the “Chic-A-Loes” portion of the Facility, in violation of section 603.2.1 of the 2010 ADAAG standards.

- (vi) The soap dispensers in the restrooms in the “Chic-A-Loes”

portion of the Facility are located outside the prescribed vertical reach ranges set forth in section 308.2.1 of the 2010 ADAAG standards.

(vii) The grab bars adjacent to the commodes in the restrooms in the “Chic-A-Loes” portion of the Facility fail to comply with sections 604.5 and 609.4 of the 2010 ADAAG standards. There is no rear bar, and the side bar is too short and improperly positioned at a distance too far from the commode.

(viii) The restrooms in the “Chic-A-Loes” portion of the Facility have cabinet-style sinks that provide for no knee and toe clearance, in violation of sections 305, 306 and 606.2 of the 2010 ADAAG standards.

31. Without limitation, the above-described violations of the ADAAG made it more difficult for Plaintiff to find and utilize a disabled accessible parking space on the Property, more difficult and dangerous for Plaintiff to utilize the ramps servicing the Property, and rendered the restroom in the “Chic-A-Loes” portion of the Facility inaccessible to Plaintiff.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the

Facility and Property.

33. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property in violation of the ADA.

34. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

35. All of the violations alleged herein are readily achievable to modify to bring the Facility and Property into compliance with the ADA.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

38. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be

modified to comply with the 1991 ADAAG standards.

39. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

40. Plaintiff's requested relief serves the public interest.

41. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant.

42. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (c) That the Court issue an Order requiring Defendant to (i) remove the

physical barriers to access and (ii) alter the subject Facility and Property to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA;

- (d) That the Court award Plaintiff's counsel reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.

Dated: December 6, 2022.

Respectfully submitted,
